Due to variations in the printing process, color swatches printed here may not match the actual product. When matching colors please request a color sample from Lutron.

creating the right setting

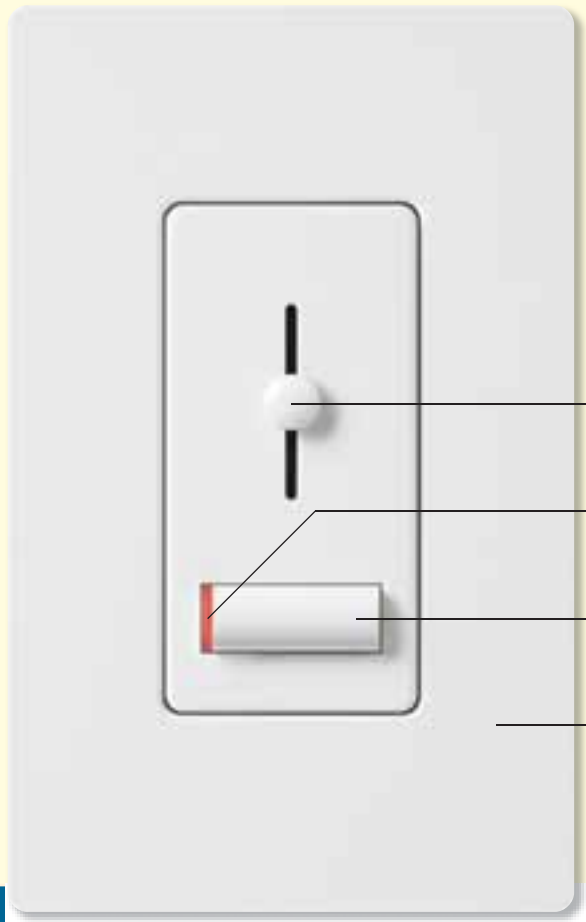

Make any room more inviting

- Dim the lights to enhance the look and feel of your room
- Coordinate with Lyneo Lx switches and accessories to add the finishing touch
- Complete the look with Lutron wallplates

In the kitchen, control your lights with a Lyneo Lx dimmer, and your garbage disposal with a matching switch.

Lyneo™ Lx | intuitive design features

Lyneo Lx dimmer in white

Lyneo Lx dimmers let you easily adjust the lights to create the right atmosphere. The simple, clean lines of the dimmer and matching switch, both available in 27 colors, ensure a complete, coordinated look for your project.

round slider adjusts lights smoothly—
indicates light level at a glance

amber locator light guides user directly to the
push button – quickly find the dimmer in the dark

contoured push-button provides a large target to
turn lights on/off

Lutron® Claro® and Satin Colors™
screwless wallplates create a clean look

easy to install

replace your existing
switch in as little
as 15 minutes

functional aesthetics

A 3-way dimmer in mocha stone

B 3-way switch in mocha stone

Lyneo Lx 3-way controls

- Control the lights from either end of the hallway or staircase for maximum convenience and safety
- Locator lights glow on both dimmer and switch to make them easy to find in the dark
