

HALOXEN® REFLECTOR

Energy Efficient

- Reduced wattage compared to standard incandescent lamps

Technical Data

- 55, 70 and 85 watt
- 125 volt
- Halogen/Xenon gas mix
- Medium base
- High lumen maintenance - over 90% throughout lamp life
- Nickel plated brass base

Long Life

- 5,000 Hours Average Rated Life

Benefits

- Crisp white light
- Long life -as much as twice the rated life of incandescent reflector lamps
- Energy savings option without the use of mercury
- Decrease in labor costs associated with re-lamping
- 125 volt design allows for protection from spikes without significant loss of lumens and provides increased life
- Efficient filament based technology allows for easy dimming

Applications

- Office buildings and residential lighting
- Hospitals
- Retail/display lighting
- Accent lighting

Haloxen lamps provide improved efficiency and 5000 hours average life.
