Proven TCP Performance in a More Compact Size

Designed 2Fit!

The industry's smallest size T2 SpringLamps®, TCP's new T2 series bulbs ensure an inconspicuous fit for any application.

- Compact design fits easily into any lighting applications
- Outstanding lumen performance
- Available in candelabra, intermediate, and medium bases (13 watt only)
- End of life circuitry shuts bulb off automatically if it senses any lamp starting issues
- Ultra high efficiency electronic circuitry optimizes and improves overall system performance and light output
- Improved lamp design provides more lighting surface area in a compact space, for better light output, and better performance

T2 CFLs
