

**BROAN**<sup>®</sup>

**You'd never know it's a fan,  
and that's the point.**

Once you find it, it's easy to see what makes our new fan light unique. After all, it's the only recessed light that features powerful ventilation, yet matches other recessed lighting fixtures. It's the ideal solution for keeping any room in your home fresh and comfortable. To see what you've been missing, contact Broan at 1-800-558-1711 for a distributor near you, or visit [www.Broan.com](http://www.Broan.com).

# It's the quiet fan light that's at home in any room.

Presenting the recessed fan light from Broan.

Recessed lights are popular lighting solutions. But Broan took it a step further by incorporating powerful ventilation in the same design. Our new fan lights disappear into the ceiling with other recessed lights, so they are practical decorating solutions for any room in the house. In the bath they control humidity, and in a utility room, kitchen, media room or high-traffic family room they keep the air fresh and comfortable.

- High efficiency centrifugal fan delivers 70 CFM at 1.5 sones
- Trim matched to designs of major recessed light manufacturers
- Multiple units can easily be used in larger rooms
- All models are UL Listed for use over bathtubs or showers when connected to a GFCI protected branch circuit. Model 744 also requires a PAR30L or PAR30LN type bulb.
- 6-7/8" high housing appropriate for new construction and 2" x 8" ceiling joists
- 4" round duct connector
- Not for use over cooking surfaces
- Optional wall control switches available
- Type IC, sealed housing

Model 744 & 744FL

Model	CFM	Sones	Lighting	Bulb Type	Energy Star	Ducting
744	70	1.5	75 W	R30 or BR30	—	4"
744FL*	70	1.5	14 W Fluor.	R30		4"

Energy Star fans use 65% less energy, on average, than standard models and may qualify for local utility rebates.

\*Fluorescent lighting, Title 24-compliant.
