

EnhanceLite™ BR30

High output, BR30 LED Lamp

EnhanceLite® BR30

Key Product Features

- High output BR30 LED lamp
- Excellent color rendering
- Ground breaking driver technology matches incandescent dimming curve and warms color temperature during dimming
- Exceptional light distribution
- Enhanced passive cooling system allows for reduced junction temperatures, extending the life of the lamp
- Environmentally Friendly – No mercury, No lead & RoHS Compliant
- Maintenance free - Long life operation
- Integrated high efficiency driver
- Complies with ANSI standard BR30 form factor
- Safety certified and listed to UL8750 and UL1993 and FCC certified
- No UV or IR radiation & No heat emitted in direction of light
- 5 year warranty
