

STICK ANYWHERE NIGHT LIGHT

Thank you for purchasing the Mr. Beams™ Stick Anywhere Night Light (SA Light). We are committed to eliminating darkness by using the latest in light-emitting diodes (LED's). LED's are the most efficient and durable light sources available. We are certain your Mr. Beams SA Light will contribute to a safer environment and provide light where you need it at a very reasonable cost.

ENCLOSED YOU WILL FIND:

- Stick Anywhere Night Light
- Mounting Bracket
- 2 Screws and Double-Sided TSAe

MB720 SA LIGHT FEATURES

Motion Sensor Activated – Your SA Light has a sensitive motion sensor that will activate the LED only when motion is detected. Light shuts off automatically after no motion is detected for 30 seconds.

Light Sensor – Your SA Light goes on only in darkness to conserve battery life.

Mount to Wall Options– Use 2 screws or tape (included) to mount your SA Light to the wall.

WARNING

- Use only new alkaline AA-Cell batteries with 1.5V rating. Do not mix old and new batteries. Install batteries with polarity in correct position.
- **Note that this is a strong adhesive tape and may cause damage to paint, wallpaper, or surface underneath if removed.**
- Light takes approximately 10 seconds to activate once batteries are inserted.
- **If light stays on constantly, it's time to change the batteries!**

INSTALLATION INSTRUCTIONS
BEFORE YOU MOUNT YOUR SA LIGHT:
Illustration 1

Remove Mounting Bracket from back of SA Light. Remove battery door of SA Light by removing 2 thumb screws as shown in **Illustration 1**.

Illustration 2

Insert 4 Fresh AA batteries as shown in **Illustration 2**. Close battery door.

MOUNTING WITH TSAE—INDOOR ONLY:
Illustration 3—(Indoor Use Only)

Attach double-sided tape (included) to back of mounting bracket as shown in **Illustration 3**.

Illustration 4

Attach Mounting Bracket to Wall. Attach SA Light to Mounting Bracket as shown in **Illustration 4**.

MOUNTING WITH SCREWS—INDOOR OR OUTDOOR:

Determine location for mounting SA Light. Drive screws (included) through holes of Mounting Bracket to secure. Attach SA Light as shown in **Illustration 5**.

IMPORTANT NOTES:

- Please use only new alkaline D-Cell batteries with 1.5V rating.
- Do not mix old and new batteries.
- Install batteries with polarity in correct position as shown.
- **Stick Anywhere Night Light will activate in fairly dark spaces. Test in a dark closet or bathroom.**

LIMITED WARRANTY

The product you have purchased is guaranteed against defects in workmanship and materials for the period stated on the package. Warranties implied by law are subject to the same time period limitation. Some states do not allow limitations on how long an implied warranty lasts, so this time limitation may not apply to you. If the product fails due to a manufacturing defect during normal use, return the product and dated sales receipt to the store where purchased for replacement OR send the product and the dated sales receipt to the address above. **Not Covered** – Batteries are not covered by this warranty. Repair service, adjustment and calibration due to misuse, abuse or negligence are not covered by this warranty. Unauthorized service or modification to this product or of any furnished components will void this warranty in its entirety. This warranty does not include reimbursement for inconvenience, installation, set-up time, loss of use, postage, unauthorized service, or other products used in conjunction with, but are not supplied by, Wireless Environment. **This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.**
