

ASSEMBLY INSTRUCTIONS

STYLE# 28585-1

Careful unpack all lamp parts from the carton.

1. Place the base in an upright position on the floor.
2. Thread the **part A** onto the lamp **base** and turn clockwise to tighten secured.
3. Thread the **part B** onto the **Part A** and turn clockwise to tighten secured.
4. Turn knob with screw tighten secured.
5. Place the **Shade** onto the **Socket**. Secure by threading the **Couter ring** onto the Socket. Hand tighten until snug.
6. Use **1pcs 150W max ON-OFF Type A bulb** (not included)

28585-1

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock.

This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the

outlet, reverse the plug. If it still does not fit, contact a qualified electrician.

Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.
