

**Less but more**  
CFLs use 66% less energy than a standard incandescent bulb and last up to 10 times longer.

**When 1's a lonely number**  
Our 2-Piece lamps are ideal for closet lights, ceiling lights, floor lamps, and table lamps.

Green Alert

**Clean up the earth**  
If every household in the U.S. replaced one light bulb with a CFL, it would prevent enough pollution to equal removing one million cars from the road.
