Don't Bug Me® Home and Garden Spray may be used indoors

Don't Bug Me[®] Home and Garden Spray may be used indoors or outdoors to control common garden pests found in and around the home. Don't Bug Me[®] contains Pyrethrum, which is derived from Chrysanthemum flowers, to give fast and effective kill on contact. For use on Fruits and Vegetables, and All Ornamental Plants. May be applied to vepetables up to the day of harvest. Do not spray in the heat of the day.

Shake Bottle Well Before Each Use.

Directions For Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Please see complete directions on inside panel.

Precautionary Statements CAUTION

Hazards To Humans and Domestic Animals

Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. In case of contact, immediately flush with water for 15 minutes. Get medical attention if irritation persists. Remove pets, birds, and cover fish aquariums before spraying. Do not allow children or pets back into treated area until spray is dry.

Environmental Hazards

This product is toxic to fish. Do not apply to any body of water. Do not contaminate water by disposing of product wastes.

Physical or Chemical Hazards

Do not use this product in or on electrical equipment because of potential shock hazard.

CAUTION

- CACTION		
FIRST AID		
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice.	
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.	
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center for treatment advice.	

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the international Poison Center at 1-888-740-8712.

	OTOTINGE AND DIOLOGAE
STORAGE:	Store in a cool, dry place. Keep container closed.
DISPOSAL:	• If Empty: Do not reuse this container. Place in trash or offer to recycling if available.
	• If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
	Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DON'T BUG ME[™] Home & Garden Spray may be used indoors or outdoors as a contact spray for flying and crawling pests commonly found in and around the home. DON'T BUG ME[™] Home & Garden Spray contains Pyrethrum, which is derived from a Chrysanthemum flower, to give fast and effective kill on contact. Pyrethrum also will "flush" hiding insects, which then allows you to spray them for immediate contact kill. SHAKE WELL BEFORE USING. Adjust spray nozzle to give a coarse, wet spray.

INDOORS:

House Flies, Gnats, Mosquitoes, Flying Moths: As a room spray to control these pests, close doors and windows and pump spray, aiming the nozzle into the upper corners of the room, filling the room with a fine mist. Keep room closed for at least 15 minutes and then air room out before occupancy. Before spraying in kitchen or dining areas, cover or remove food and utensils.

Ants, Cockroaches (Water Bugs/Palmetto Bugs), Centipedes, Sowbugs, Pillbugs, Crickets, Silverfish, Firebrats, Fleas, Ticks, and Spiders, including Black Widow and Scorpions: Spray into cracks and crevices, along baseboards, behind and beneath cabinets, cupboards, pantry, other food storage areas, under stoves, sinks, refrigerators, and in and around waste containers and other areas where these pests are seen or suspected of hiding. Spray as many pests as possible, especially as they are being flushed from hiding. Spray ant trails and places where they are entering the house.

Fleas and Ticks: Where fleas and ticks are associated with household pets, remove and launder or replace the pet's bedding, and spray the surrounding area. Pay particular attention to cracks and crevices, along the baseboards, carpeted areas, area rugs, and fabric-covered furniture where these pests may be found. Replace pet bedding when spray is dry. Concurrent treatment of the pets and their yard areas is recommended with a product labeled for those sites and pests.

Carpet Beetles: Apply as a spot treatment along baseboards and edges of carpet and rugs. Also spray under carpets and area rugs, after vacuuming area to remove debris. Spray carpet in corners of rooms, under furniture, in closets, on shelving and other areas where these pests are seen or suspected.

Sawtoothed Grain Beetles, Indian Meal Moths, Rice Weevils, Confused Flour Beetles: To kill the exposed forms of these pests, find and destroy infested packages of

food products in cabinets or pantry. Remove shelf paper. Clean inside cabinets thoroughly. Remove packaged goods and spray shelves and cracks and crevices. Replace shelf paper with new paper and return packaged goods when spray is dry.

OUTDOORS:

Vegetables (including in-home greenhouses): Arrugula, Beets, Broccoli, Brussels Sprouts, Cabbage, Carrots, Chinese Cabbage (Bok Choy), Chinese Mustard Cabbage (Gai Choy), Cabbage (Napa), Cauliflower, Cucumber, Collards, Cilantro, Celery, Eggplant, Edible Gourds, Endive, Japanese Radish (Daikon), Lettuce (Head and Leafy), Okra, Melons (including hybrids-Cantaloupe, Casaba, Crenshaw, Honeydew, Muskmelon, Parsley, Parsnips, Potato, Peppers (including Bell, Chili, Cooking, Pimentos, Sweet), Pumpkins, Rhubarb, Rutabaga, Radish, Swiss Chard, Squash (Winter and Summer), Soinach, Tomatillo, Tomatoes, Watermelon, and Zucchini.

Small Fruits and Berries: Blackberry, Blueberry, Currant, Dewberry, Elderberry, Goseberry, Grape, Huckleberry, Olallie Berry, Raspberry (Black and Red), Strawberry, and Youngberry. Fruits: Apple, Apricot, Crabapple, Cherry (Sweet and Sour), Citrus Hybrids, Grapefruit, Loquat, Lemons, Limes, Nectarine, Orange (Sweet and Sour), Oriental Pear, Pear, Pummelo, Peach, Plum, Prune, and Quince.

For Use on All Ornamental Plants [such as Roses, Hyacinth, Gladiolus, Freesia]. All Annuals [such as Cosmos, Celosia, Ageratum, Impatiens]. All Perennials [such as Gazania, Cineraria, Chrysanthemum, Zinnia]. All Shrubs [such as Mountain Laurel, Juniper, Privet, Mock Orange]. All Shade Trees [such as Oak, London Plane, Maple, Sycamore, Mulberry], and All Vines [such as Trumpet Creeper, Creeping Lantana, Wisteria, Honeysuckle].

For the Control of: Ants, Aphids, Armyworms, Asparagus Beetle, Blister Beetles, Cabbage Looper, 12-Spotted Cucumber Beetle, Colorado Potato Beetle, Corn Earworm, Crickets, Cross-striped Cabbageworm, Diamondback Moth Larvae, Fireworms, Flea Beetles, Fruit Worms, Fruit Tree Leafroller, Grape Leafhopper, Gypsy Moth (larvae and adults), Harlequin Bug, Tomato Hornworm, Imported Cabbageworm, Leafhoppers, Leafrollers, Leaftiers, Mexican Bean Beetle, Potato Leafhopper, Psyllids, Stink Bugs, Thrips, Vinegar Flies, and Webworms: Water plant thoroughly. Turn spray nozzle to the on position and hold spray nozzle about 12" from the plant. Spray lightly, covering upper and lower leaf surfaces until surfaces are slightly wet. Avoid over-saturating. Spray when insects or their damage first appears. Do not wait until plants are heavily infested. Spray may be applied up to and including day of harvest.
