Remote Control Path Light

Soft light glows all night and emits bright light when motion is detected...

Reliable alternative to solar or electric!

Path Light Features:

- Installs easily—no wiring!
- “Low-Glow” feature provides soft light as soon as darkness is detected, then brightens to provide additional light source
- Intelligent sensors detect motion from 12’ away
- Weatherproof design is IP44 rated for outdoor/splashproof requirements
- Adjustable auto shut-off
- 1 year+ battery life
- Remote control (RC) feature provides flexibility—light when you want it at the press of a button

Details:

- Motion & remote control
- 3 C Batteries (not included)
- Item # MB542
- Each kit includes: 2 lights, mounting brackets and stake

Path Light Applications:

- Path lighting
- Landscape enhancements
- Deck & porch stairs
- Driveways
