

Westinghouse

Christmas Light Tester

Test your light set, fuses and individual bulb with ease.

The LIGHT TESTER is a product developed to make the task of finding a bad bulb, wire or socket on your Christmas light string fast and easy. With the push of a button you can locate your light string problem.

Other features included:

- **Bulb Remover** - Allows you to remove bulb from light set.
- **Bulb Tester** - Allows you to test individual bulb.
- **Fuse Tester** - Allows you to test light set fuses.
